The Harmsworth London Magazine

'The most entertaining book of the year' Sunday Times

Diana touched your elbow, your arm, covered your hand with hers. It was alluring. And she was disarmingly confiding. "Can I ask you something? Nicholas, please be frank..." Over his thirty-year career at Condé Nast, Nicholas Coleridge has witnessed it all. From the anxieties of the Princess of Wales to the blazing fury of Mohamed Al-Fayed, his story is also the story of the people who populate the glamorous world of glossy magazines. With relish and astonishing candour, he offers the inside scoop on Tina Brown and Anna Wintour, David Bowie and Philip Green, Kate Moss and Beyonce; on Margaret Thatcher's clothes legacy, and a surreal weekend away with Bob Geldof and William Hague. Cara Delevingne, media tycoons, Prime Ministers, Princes, Mayors and Maharajas - all cross his path. His career in magazines straddles the glossies throughout their glorious zenith - from the 1970s, 1980s and 1990s to the digital iterations of the 21st century. Having cut his teeth on Tatler, and as Editor-in-Chief of Harpers & Queen, he became the Mr Big of glossy publishing for three decades. Packed with surprising and often hilarious anecdotes, The Glossy Years also provides perceptive insight into the changing and treacherous worlds of fashion, journalism, museums and a whole sweep of British society. This is a rich, honest, witty and very personal memoir of a life splendidly lived.

'An entertaining whirlwind' Evening Standard 'Gentle, jolly . . . Blissfully funny' Sunday Telegraph 'An irresistible read, hilarious, honest and insightful. I adored it' Tina Brown 'Sparkling' Spectator 'Forthright, witty and gossipy . . . a passion for glossy magazines shines through this effervescent memoir' Sunday Express

Design for Media

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since

the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Veteran & Vintage Magazine

Following the success of 'Issues', this title explores the very latest trends and creative design styles in contemporary magazines from around the world. Short interviews, essays and comment pieces focus on key themes such as logo design, Japanese magazines, French fashion magazines and branding.

The Glossy Years

This richly illustrated volume examines the idiosyncratic phenomenon of social nudism in mid-20th-century Britain, an island nation famed for its lack of sunshine and its reserved social attitudes. Structured across three interrelated phases, readers first encounter the movement at its genesis in the 1920s, when nudism was synonymous with vegetarianism, intellectualism and utopianism. That nascent culture proliferated in the postwar era, with a widening landscape of amateur clubs and governing organizations alongside high circulation publications and censorship-challenging photographers. Finally, Annebella Pollen examines the movement's redefinition as naturism, its cultural battles and its struggle to survive amid shifts in sexual liberation in the permissive 1960s. Unadorned bodies were the central campaigning tool of British naturism's photographic propaganda. They drew attention to the cause and drove publication sales but they also attracted regular public opprobrium. Naturism's shifting visual culture thus provides a microcosmic view of British moral, legal and aesthetic transformations in a period of rapid social change, revealing evolving perspectives on health and sex, gender and ethnicity, pleasure and power.

The Sportsman

KANDY Magazine celebrates an All-American 2021 Summer! Cover model Marissa Victoria of Long Island, New York is our cover girl in OUR TRIBUTE TO AMERICA'S STARS & STRIPES. Who Owns Whom

A blue-covered edition of the classic journal devotes a page to every day of a five-year time span and features illustrations by an artist whose work is regularly featured in The New York Times, in a volume that is complemented by a red ribbon bookmark and additional pages for recording literary and travel experiences.

magCulture

'Flawless' — New York Journal of Books 'Superb' — Observer 'Stylish' — Sunday Telegraph, 'Favourite

Books of the Year' 'The story of fashion photography in the UK' — Herald Terence Donovan was one of the foremost photographers of his generation – among the greatest Britain has ever produced. He came to prominence in London as part of a postwar renaissance in art, fashion, graphic design and photography. His working-class background and outlook helped change the face of British fashion photography and made him a major figure of London's Swinging Sixties. A star in his own right, he was equally at home with celebrities and royalty as well as the ordinary girl on the street, whose mannerisms informed his photographs. Gifted with an unerring eye for the iconic image, Donovan was also master of his craft, a technical genius who strove to push the limits of what was possible. And yet despite his fame and status, there has never been a publication devoted solely to his fashion work. Terence Donovan Fashion is the first time his fashion pictures have been collected together in book form. Arranged chronologically, from the gritty monochromatic 1960s and 1970s to the vibrant and colourful 1980s and 1990s, the book reveals how constant invention and experimentation set Donovan apart from his contemporaries and influenced generations to come. The pictures have been selected by his wife Diana Donovan and the former art director of Nova magazine and Pentagram partner David Hillman, who worked closely with Donovan for over a decade. With a text by the photographic historian Robin Muir, and a foreword by Grace Coddington, creative director of American Vogue, Terence Donovan Fashion is a landmark in the history of fashion photography.

Nudism in a Cold Climate

From the Huguenots in the seventeenth century, Irish silk weavers in the late 1700s and East European Jews at the turn of the twentieth century through to recent immigrants from South-east Asia, East London has been shaped by a multicultural reality closely linked to a unique spirit of creative enterprise. Over the last thirty years in particular, the area has been transformed from a crumbling no-go area on the fringe of the nation's capital into a cluster of hip neighbourhoods buzzing with creative energy where a wide range of communities have come together. Voices East London connects the dots around the creative perspectives that make the area unique while providing colourful glimpses into its past by means of dynamic interviews with eighty of the area's leading movers and shakers. Among them are such artists, designers and cultural leaders as Gilbert & George, Sue Webster, Langlands & Bell, Charles Saumarez Smith, Iwona Blazwick, Maureen Paley, Viktor Wynd, Sandra Esquilant, David Waddington and Pablo Flack. Brimming with striking new photography and engaging insights into a distinctive milieu, Voices East London demonstrates that the area has well and truly moved beyond its old Dickensian aura.

Kandy Magazine Our Tribute to America's Stars & Stripes

This title is part of a series of four picture books, compiled from the archives of the classic girlie magazines, 'Fiesta' and 'Knave', which celebrates an age when glamour photography strove more for artistic ideals and risqué titillation than the sexually explicit top shelf titles of today."

5 Year Diary

THE SUNDAY TIMES BESTSELLER 'A love letter to Bombay told through food and stories, including their legendary black daal' Yotam Ottolenghi At long last, Dishoom share the secrets to their much sought-after Bombay comfort food: the Bacon Naan Roll, Black Daal, Okra Fries, Jackfruit Biryani, Chicken Ruby and Lamb Raan, along with Masala Chai, coolers and cocktails. As you learn to cook the comforting Dishoom menu at home, you will also be taken on a day-long tour of south Bombay, peppered with much eating and drinking. You'll discover the simple joy of early chai and omelette at Kyani and Co., of dawdling in Horniman Circle on a lazy morning, of eating your fill on Mohammed Ali Road, of strolling on the sands at Chowpatty at sunset or taking the air at Nariman Point at night. This beautiful cookery book and its equally beautiful photography will transport you to Dishoom's most treasured corners of an eccentric and charming Bombay. Read it, and you will find yourself replete with recipes and stories to share with all who come to your table. 'This book is a total delight. The photography, the recipes and above all, the stories. I've never read a book that has made me look so longingly at my suitcase' Nigel Slater

Terence Donovan Fashion

Voices

Depressed reporter Tom Crisp, sometimes known as A14, finds himself embroiled in a web of intrigue as he tries to make sense of his incarceration at Tin Type Hall. 'Just telling you' his story unravels in a series of 'silver film' as he finds himself in a world full of double-agents such as the psychotic Motherwell the Everlasting Executioner, John Remorse the Serjeant of Time Film and Samuel Baptist the HM Inspector of Brothels. In a world where sexually-charged sofas ejaculate black horse hair and the Hypocritic Oath is blamed for failed medical procedures, Crisp stands helplessly by as Jack Beauregard, the Eater of Cities, is hunted down. It could all be the fault of the Mysterious Babies ... but then maybe you can feel the 'Cold Sun' ... Graham Masterton wrote Rules of Duel between 1964 and 1970, when he was friends with William S Burroughs, the creator of the intersection writing technique. Recently rediscovered, it stands as a thought-provoking, triumphant and poetic tribute to Burroughs. Rules of Duel is a clever and pervasive novel that turns literature on its head and makes the reader work to be part of the evolving plot. Complete with an original introduction by Burroughs, written before his death in 1997, Rules of Duel is a previously unpublished masterpiece from two of the greatest writers of their generations.

1980s Glamour

The innovative 300SE W112 was the most technically advanced sedan at its launch in 1961. Yet it disappointed its makers in terms of its sales success. But image-wise it was a clever move, as every 190D owner saw a bit of that 300SE in his own car. The two-door models were equally advanced and disappointed as much with their sales success. This 180-page book tells with many new color photos the W112 story. These are some of the topics covered: The development of the W112 and W112C The 300SE The 300SE lang The racing history 300SE vs. Jaguar Mk 10 The 300SE Coupe and Cabriolet W112 chassis number explained W112 data card explained What is my W112 and W112C worth? Price development from Feb. 2010 to Feb. 2018 W112 buyer's guide Over 150 mostly recent non-Daimler AG color photos highlight many 300SE features, this includes the suspension Paint and interior options Technical specifications This guide ends with a free book offer. Enjoy! Why is this book not available as hard cover? Even today with modern digital printing services available, books with many color photos are expensive to produce. This book comes with some 200 high quality photos, most of them in color, and would cost retail as hardcover version over US\$ 80 (or the corresponding amount in £ or), which the author finds excessive. That is why the choice to offer the more reasonable to produce soft cover option.

Dishoom

Travel under the streets of London with this lavishly illustrated exploration of abandoned, modified, and reused Underground tunnels, stations, and architecture.

Katsura

The international bestseller! The book beaches were made for! When New York billionaire Adam Gold moves to London, every red-blooded woman wants to get him into bed...and down the aisle. Karin is a successful fashion entrepreneur and London's most glamorous socialite. Her name is synonymous with style and class, and Adam Gold could be her perfect accessory -- but can the whispers surrounding her ex-husband's death keep her from her prize? Erin, a young, naïve country girl with literary aspirations, never dreamed of traveling in such lofty social circles until she finds herself in the role of Adam's personal assistant and protégé. As her sights grow higher, the promise of riches, and lust for her handsome boss, threaten

everything she once valued. Molly, a fading eighties supermodel, can't seem to leave her glory days, or her expensive drug habit, in the past. Ultracompetitive, unabashedly ruthless, Molly will risk everything to secure the man who may be her last chance at marriage. Summer, Molly's daughter, is an innocent beauty living in the shadow of her famous mother. When she lands a television deal and becomes the latest "it girl," Adam Gold takes notice. From Monte Carlo to Lake Como, St. Moritz to St. Barts, Gold Diggers takes a heady journey through the social circuit of the superrich into a world of sizzling passion, ruthless ambition and scorching betrayal.

Rules of Duel

I suppose everyone has their reasons for living here. Who knows what lies behind the pretty curtains and the well-groomed lawns of Mulberry Avenue? Lucy has a kind and adoring husband, a job she loves as a teacher, and a house on Mulberry Avenue with floaty curtains and the softest bed linen. After her troubled childhood, she knows life will never be perfect, but it's pretty close. She's also got Amber, right next door. They never run out of things to talk about. Even if Amber's life - with her high-profile job and handsome, wealthy boyfriend - is more glamorous than Lucy's, they share a down-to-earth sense of humour. But then Amber starts to hint that her life isn't all it seems, and when she comes to Lucy, terrified, saying that she's getting threatening messages, Lucy promises to protect her. The closer Lucy gets to anyone, the harder it'll be to keep her past to herself. But Amber doesn't have anyone else, and Lucy welcomes her into her home. Lucy knows all too well that people aren't always what they seem. Sometimes they have secrets. And they'd do anything to keep them. Yet when Amber settles in a little too quickly, Lucy's still sure: she can trust her friend... can't she? Gripping and unputdownable, *The Woman Next Door* tells a story about the dark side of friendship, and has a final twist that will shock every reader. Perfect for fans of *The Girl on the Train*, *Friend Request*, and *Clare Mackintosh*. Readers love Sue Watson: 'Tense, atmospheric psychological thriller with more twists and turns than a rollercoaster. Impeccably written and a big fat 5***** from me. Awesome!' No. 1 bestselling author, Angela Marsons 'Gripping tension that builds and builds... I kept thinking I knew where she was going only to be knocked sideways... An absolute page turner of a read that sent my heart racing. Bravo to the new queen of psychological thrillers.' By the Letter Book Reviews, 5 stars 'Omg this book!!!! Never have I felt such powerful emotions... when reading a novel... This really is such a compulsive read building the tension and a brilliant ending making it for me a real unputdownable novel... Read it you really won't be disappointed.' Goodreads reviewer, 5 stars 'What a read this was, reminiscent of *B A Paris*' *Behind Closed Doors*, with the twists of a *Claire Mackintosh* book... such a good read and just as I thought I had worked it out I was wrong!' Goodreads reviewer, 5 stars 'Delivers an ending that will make you go WOW but you need to read it to see why! Straight into my Top 10 of the year and a really great read... Dark, disturbing and just everything you want from a psychological thriller and more.' Goodreads reviewer, 5 stars

Mercedes-Benz, the 1960s, W112 Two- And Four-Door

This book contains everything you need to know about suits, from the traditional designs of the early 1900s, to innovative contemporary variations. It was awarded *Financial Times*' Fashion Book of the Year. Clothes maketh the man. For millions of men across the world the common denominator that identifies them is the suit. Just three and a half metres of fabric, some internal shaping elements, lining, buttons and several metres of thread are all it takes to produce the jacket-and-trouser combination that can be seen from boardrooms to bars, wherever men gather. In *Sharp Suits* we examine the fascinating history and evolution of the modern suit from the late seventeenth century to date. From eighteenth-century bespoke to the mass industrialization of the twentieth century, we see how the uniform of the ruling classes became the utilitarian outfit of the worker. A series of thematic chapters also illustrate how the universal staple of a man's wardrobe can play many different roles and, chameleon-like, can mean different things in different situations. From the Duke of Windsor to *The Thin White Duke*, David Bowie; from James Brown to *The Jamel* from *Guys and Dolls* to *The Godfather*, movie stars, rock stars, heroes and villains, philanthropists, presidents and gangsters – all these men and many more have dressed to impress in a matching jacket and trousers and have found that a suit will suit them very well. 'Clothes can 'do a job'. A well-cut suit can make you slimmer, taller, sexier,

more elegant or business-like.' Sir Paul Smith

Hidden London

After the huge success of *The Best of Jackie*, this is the follow-up title, *The Best of Jackie Annual* - more great material, reproduced in facsimile form true to the original. Compulsive quizzes, such as 'Will You Live Happily Ever After?', great advice, including 'A Jackie Guide to Making Money', exclusive Jackie pop features such as 'Un Jour Avec David A Paris' (a [lovely] day out with David [Essex] in Paris) and much more to pore over and remember.

Gold Diggers

The new Museum and Galleries series is packed with information that informs and inspires. These guides allow discriminating travelers to plan their priorities in advance. Each title features: historical perspective, illuminating text, evocative photography, detailed maps and practical advice.

Newspaper Press Directory

The plot could have been inspired by Evelyn Waugh's *Vile Bodies*, but unlike Waugh's novel – which parodies the era of the 'Bright Young Things' – *The Mistress of Mayfair* is a real-life story of scandal, greed, corruption and promiscuity at the heart of 1920s and '30s high society, focusing on the wily, willful socialite Doris Delevingne and her doomed relationship with the gossip columnist Valentine Browne, Viscount Castlerosse. Marrying each other in pursuit of the finer things in life, their unlikely union was tempestuous from the off, rocked by affairs (with a whole host of society figures, including Cecil Beaton, Diana Mitford and Winston Churchill, amongst others) on both sides, and degenerated into one of London's bitterest, and most talked about, divorce battles. In this compelling new book, Lyndsy Spence follows the rise and fall of their relationship, exploring their decadent society lives in revelatory detail and offering new insight into some of the mid twentieth century's most prominent figures.

The Woman Next Door: An Unputdownable Psychological Thriller with a Stunning Twist

This authoritative guide to British-made shotguns looks at individual makers, their products, and the selling points of particular guns. In some cases Wieland also notes negative points or product limitations. While the book will be welcomed by gun collectors worldwide, it is particularly useful to those who are curious about British makers whose production was or is substantial enough that their guns would have crossed the pond into North America.

Fine Things celebrates the special and sentimental things that convey our personality. The writing is fast-paced, quirky and humorous, reflecting the author's enthusiasm and eccentric view of the world. It's for those who enjoy being different and seek to be quirky and individual. If you're proud of who you are, then this book is for you.

London

Woodworking is Timeless Things change, to be sure, and woodworking is no exception. New tools come on the market, older tools are upgraded and a number of new, finely made hand tools are now available. Regardless of the subtle changes, the basic principles used by woodworkers have remained constant. The novice woodworker can produce satisfactory work following these unchanging woodworking traditions and using just some basic tools. Once these lessons are learned, all woodworking tasks are only a short step away. Power tools can take much of the drudgery out of woodworking, hand tools bring you closer to your work to teach you the characteristics of wood and how to make the most of the material. This book offers all the knowledge needed to get started in woodworking. All of the joints, jigs, methods, techniques and processes that have stood the test of time are included (along with a number of basic projects to practice the techniques). Woodworking offers enough variety to satisfy the widest range of tastes and inclinations. Let this book be your guide for whatever direction you want your work to take.

The Mistress of Mayfair

This wordsearch collection is packed with puzzles that are presented in easy-to-read, large-print type, making them suitable for anyone to enjoy.

Vintage British Shotguns
