Even if it did mean starting out as a low-level assistant without recognition or the chance of dental. But when mistaken identity gives Jenna the job of her dreams, she isn't sure what to make of it. She knows she has the skills and determination, that's for sure. So she rises to the challenge. There is Michael Larchwood, younger son of the legendary Abe Larchwood. Second heir to the keys of the castle. He was also a notorious playboy who flirts with Jenna. The thing is, not only does the company have a zero tolerance policy toward inter-office fraternization, but Michael was well known for flouting those rules. At least four women in the last two years were fired after being seen leaving his apartment, and Jenna was in no way interested in making that list. And then there's the serious brother, Thomas Larchwood, who is a brilliant financial tactician and the youngest person ever to be named on Forbes most influential people's list. All that and he was only a few years older than Jenna. The more Michael flirts with Jenna, the more Thomas takes notice. Both brothers are off limits. But one of them will steal her heart. sizzling reads, contemporary crushes, romance and sex, bad boy, billionaire, fake girlfriend, free romance, anthology, boxed set, free box set, romance comedy, romance box sets, romance series, bad boy romance, fake relationship, fake girlfriend, fake romance, pretend girlfriend, pretend relationship, assistant, boss, fake marriage, marriage of convenience, fake wife, fake husband, fake relationship, pretend wife, pretend husband, billionaire romance, billionaire. He's tall, gorgeous, hardworking, and strict. Most of the staff at Noah's Ark are scared of him. But I can handle the Lion King, as I like to call him. I'm his PA. I book his dental appointments, pick up his dry cleaning, keep his diary, walk his dogs, and organize his accounts. I know him as well as a wife would, although unfortunately without the added benefits that role would bring. I'd tell him how I feel, but he's made it quite clear he's against relationships at work, so I know it's never going to happen unless I leave the Ark, and I love my job. Then, on the day the Prime Minister's supposed to arrive at the Ark, his crazy dog knocks me over and gives me a concussion. And, as if I'm Snow White needing to be awoken from her slumber, Leon kisses me. Crap. Now we're in trouble. How on earth do you un-forget being kissed by your handsome prince?

How To Fire Your Billionaire Boss

The last slither of setting sunlight peeks its head over the dark horizon as I stand in the street outside my house, setting the sky above in beautiful ripples of smokey grey, dark purple and fiery orange. It's an enchanting sight, but I can't seem to tear my eyes from the sleek, black Mercedes that has just pulled up in front of me. As I gawp like an open-mouthed fool, a man steps out of the driver's side. For a second my breath catches in my throat, thinking that it could be Logan Norse - my mesmerisingly good-looking (if undeniably impertinent and arrogant) boss. But then I catch sight of the chauffeur's cap and the double breasted, shining silver buttoned jacket, and my heart allows itself to resume its normal pace. Of course I should have known that Norse would never drive himself anywhere, let alone come and pick me up to take me to the airport personally. **WARNING: Mature readers only.** Search Terms: alpha male romance, billionaire romance, contemporary romance, young adults romance, bad boy romance, romance short stories, second chance romance, steamy romance, hot romance books, love story, office romance, boss romance, beach reads, new adult

Book 3 The hot, sweet steam that rises from the fresh cup of tea clenched between my fingers, helps clear my blocked, swollen sinuses a little. I gaze down at the wooden kitchen table top through burning, blurry eyes, my vision fuzzy and distorted through the last of the tears I've been crying for God knows how long. As I begin to finally regain my senses and awareness, I realise with a shock that this must be at least the fifth cup of tea my housemate, Gina, has patiently made for me, and that while I've been sat here, weeping and drinking slurpily, the morning sun has fully risen and now shines in at me through the small kitchen window, illuminating what I can only imagine to be my very mascara-streaked, puffy and unattractive face. What a wretched state I must look - and all over an obnoxious, ass-hole of a man. **WARNING: Mature readers only.** Search Terms: alpha male romance, billionaire romance, contemporary

Her Impossible Boss

New from authors Zoey Locke and Z.L. Arkadie comes a hilarious, fun, and entertaining romantic comedy where an assistant straddles that fine line between love and hate with her rake of a billionaire boss. I have the worst boss in New York City. And I am sick and tired of breaking his dates, picking up his dry cleaning, doing his job for him; and recently, he hit an all-time low when he disrupted my beauty sleep so that I could bring him cold water while he jogged through my neighborhood. I didn't think he paid attention enough to know where I lived! I will take some accountability here. After all, there's a method to this man's madness. My boss's name is Orion Lord. And when Orion asks me to shoot for the moon on his behalf, he's never a jerk about it. He does it while seducing me with his spellbinding smirk and hypnotizing me with his sultry eyes. Orion is a shameless flirt and King of the modern-day rakes, being that he's charming, gorgeous, and oh-so seductive. But he's also a heartbreak waiting to happen ladies - so don't even go there. However, I've had enough of this pampered billionaire playboy, who's actually very smart and capable when he puts his mind to it. But he never puts his mind to it. As I said, I'm done. And as soon as I'm ready to slap Orion with my two-week notice, he tasks me with being his date for his brother's Las Vegas wedding weekend. I can't tell him where he could take this new job assignment and shove it because I need a fat final paycheck. For some odd reason, he sweetened the deal. It's as if he knew I was going to quit. Hmm... But we're now in Vegas. Last night there was a big party. It's the next morning, the day of the wedding, and something has gone terribly, terribly wrong. I woke up naked in someone else's bed and can't remember how I got here. "Who's that snoring?" Gasp! It's my terrible boss, and he's not wearing anything either. What's this on my finger? Oh no! In a panic, I decide he can never learn about this little scene of ours, so I hide all the evidence and any signs that I've been in his room. But how long can I keep this secret? Especially as the boss I loathe slowly convinces me he just might be the man I can't live without. *Boss On Notice*, a standalone, full-length billionaire boss romance, is loads of fun - and has plenty of laugh-out-loud moments coupled with slow-burn passion to keep you turning the pages. This book also ends happily ever after.

Ask a Manager

Spin the wheel. Date the guy. Write the story. Fall in love? Six years ago, Kitty Valentine took the book world by storm when her sweet debut romance hit number one on the Best Sellers List, which was followed by a string of successful releases. Her latest novel, however, totally bombs, causing her editor to suggest she write much sexier books. To Kitty, writing smut is the literary equivalent of stripping. But with no advance coming in and her royalties dipping to an all-time low, Kitty has no choice. Armed with a hot-guy spinning prize wheel, made by her best friend, listing all the different types of men she will date and then write about, Kitty will be spinning—not stripping—her way back onto the best-sellers list. And in the process, she just

might write her own happily ever after.

The Billionaire Collection

She doesn't remember their night together. He can't forget it. When accountant Mimi wakes up after a night of fun with her girlfriends, she remembers the hot guy in glasses she flirted with at the bar but not much else. With no way to contact him – no phone number, not even a selfie – she'll do her best to forget him. Because nothing, not even a sexy mystery man, will keep her from winning her dream job. Except...Mateo. Her brother's friend is everywhere – spilling coffee on her presentation, bringing apology flowers to her at work, even wowing her new boss at her project meeting. Mateo has never struggled to be the fun, cool, suave guy – except around Mimi. She's found his Awkward switch, and now it's stuck in the ON position. After screwing up Mimi's presentation, the least Mateo can do is help her. He charms her boss, who pushes them to attend the foundation's upcoming gala together. If helping Mimi means being her fake date at her big work event, he's more than up for the job. And if he can convince Mimi he's good enough to be her real boyfriend, he'll have all he's ever wanted since he met her that night in the bar. *Forget Me* is a fake-dating, opposites-attract romantic comedy with a lighthearted spin on the amnesia trope. It features an uptight accountant and a himbo who can't keep it together around her. It can be read as a standalone and is the fifth book in the Synergy Workplace Romance series.
